

Talca, March 2024

Dear exhibitor Daniela Farinelli,

Along with greeting you herewith, we thank you for your participation in the third version of the **“National European Hazelnut Day”** organized by the AVEXA Group and Agroreyes.

We appreciate your trust in our project, this being an instance that allows the exchange of knowledge and experiences around the European hazelnut by each of the participants in this event. We also highlight that, during the day, we had the participation of more than 450 people, including 11 national and international exhibitors and 60 sponsoring companies, which covered all areas of cultivation.

Currently, the European hazelnut is a crop that grows exponentially year after year, and that is why, thanks to these bodies and their participation, we allow the sector to grow and enhance even more, thus seeking to expand the knowledge of the attendees, hoping place Chile among the main hazelnut producers in the world, characterized by the production of quality fruit.

Within the next few days, I will send you the link to the platform where the presentations from the day of the event are available, along with pending photos.

We hope that this day has been a profitable instance for you, acquiring and enhancing knowledge. At the same time, we extend the invitation to have your participation in the next version of the **“National European Hazelnut Day”**, which we hope will be as successful as the three previous editions.

Kind regards,

Andrés Reyes
Avexa Group Director
